## Health Check

Good Morning John Fraser, Recover Health is committed to the safety of you and your clients. Please check the boxes below that apply to you today:

- I took my temperature prior to leaving home and it was below 100.4.
- I did not experience a cough, shortness of breath or difficulty breathing at any time during my work day.
- I have not experienced two or more of these symptoms at any time during my work day: Fever of 100.4 or higher | Chills | Repeated shaking with chills | Muscle pain | Headache | Sore throat | New loss of taste or smell.
- I proceeded with the day wearing PPE appropriate to my role and based on the agency and CDC guidelines provided to me.
- I know to stop work and contact my supervisor and go home if I exhibit symptoms at any time during my work day.
- I know that I should contact my supervisor if I have any questions or concerns such as not having the required PPE.
- I have been trained in Infection Control and know that I should ask my supervisor about any questions I have related to Infection Control.

By clicking submit, I agree the information above is true and accurate:
